1. Ir	ndicate progress	made in	achieving	the plans	projected	in the	Preliminary	Annual Hig	h School 1	Report.
-------	------------------	---------	-----------	-----------	-----------	--------	-------------	------------	------------	---------

During this school year effort of the staff was directed toward study and evaluation of the Non-Academic Courses. Listed below are the changes which will take place next school term:

- 1. Business Education: We will offer advanced business laboratory classes carrying 2 units of tredit rather than the single unit courses offered this year.
- 2. Art: the number of students participating in the Art program will double for the next term.
- 3. Homemaking: We will offer an advanced course for the 11th and 12th graders in the Academic program.
- 4. Music: Almost half the student body will be involved in some type of music program.

2. Show progress made during the year in meeting accrediting standards, and report plans for meeting all standards.

The school fully meets all accrediting standards of the State Department of Education and the Southern Association of Schools and Colleges.
